

HELP PAVE THE WAY FOR AN IMPORTANT BABY BRAIN STUDY

YOUR PARTICIPATION CAN MAKE A DIFFERENCE

We want to better understand the effect of COVID-19 on your experience as a caregiver as well as a variety of aspects of family functioning.

**Researchers from
across 5 institutions are
looking for female
caregivers either
pregnant or with
children up to age 5**

Earn \$50 by participating in an individual interview sharing your thoughts and feelings on your experiences related to the current pandemic.
